Dear Colleague.

Westcap Mgt's BRIDG program, the North Central Enterprise Region and the Prince Albert District Chamber of Commerce are working together to provide an opportunity for interested BRIDG communities, local investors, real estate developers/agents, existing business owners, and economic development agencies to attend an aboriginal business development forum and pitch party. The purpose of the forum and pitch party is to identify potential partners looking to work with BRIDG communities on deals, provide a platform for BRIDG communities to market their corporations as well as networking time and space to discuss various opportunities.

The local business groups will be attending a preparation session in advance of the November 17th pitch party to raise awareness of the investment opportunities that exist with First Nations and Métis owned corporations in the area, and to gather feedback on where they identify gaps and areas for growth.
